

*"If music be the food  
of love, play on ..." Play  
on, we shall!*

*The immortal words  
of Shakespeare's works  
weave through history  
like a song that our*

*hearts cannot keep from singing, though we may  
not know the source.*

*Step back in time with us as we meet  
Shakespeare in the meadows of Lake County.  
Hear his words fresh; know romance, danger, and  
fertile tears.*

*Stand in awe as the mighty trebuchet wings  
its ammunition against the walls of the enemy's  
fortress — will it fall? Or will it be only the  
fruits flung wide and far that explode? Hear the  
clanking of metal against metal as our young  
knights display their fencing prowess.*

*Smell the scents of the open air market as you  
stroll therein, with the ancient guilds represented  
by wool spinners, leather workers and more.*

*How can all this be? By the grace of God,  
the tales of the Bard, and the chivalry of  
supporters like you!*

*Thank you!*

## Renaissance Faire Auction Donors

We rely on the generosity of local businesses and individuals who donate to our live and silent auctions at our Renaissance Faire.

In years past, we have had such items as paintings by local artists, handcrafted jewelry, locally grown fruit and wine, an aerial tour of Clear Lake, a weekend at Tahoe, gift certificates for services and products, and much more.

Donations to our auction are tax deductible and your generous gift to the KCA 13th Annual Renaissance Faire is deeply appreciated.
